As Rich Weyland said:

I just wanted to thank everyone that helped out at the tech day Saturday. It turned out to be a fantastic day of sunshine just perfect for our British cars. It seems most every one got their questions answered, some problems fixed, and made some good connections for some ideal parts and a new member or two. I know of one set of brake rotors that was changed out and a carburetor that got help and a whole lot of great comments on the meet and even a leak that got fixed. A whole lot of food was put away. Lets do it again soon.

**BMCU** wants to thank Rich for opening his shop to us and for being a great host. Thanks also to Jim Stover and others who made the event such a success.

I got a great lead on new chrome bezels.

Snug fit under an MGA bonnet!

**British Field Day 2013**  
**Liberty Park, Saturday, June 15**  
**9 AM - 3 PM**

**British Field Day (BFD)** will be held at Liberty Park again this year. All British cars and bikes in any condition from 100-point restorations to works in progress or an old daily beater are welcome. All area British car/bike clubs are invited to participate. Call your fellow club members and get them to the event!

There will be a road course set up on a closed access road inside the park. It promises to be as noisy and challenging as in previous years!

Liberty Park has many amenities including one of the largest and best playgrounds in the city, the Tracy Aviary and a small amusement park with a Ferris wheel and merry-go-round. Even if your family doesn't share your passion for LBCs (little British cars), there will be plenty for them to do while you are getting your fix!

The Salt Lake Arts Academy, a public charter school with emphasis on the arts, will be providing volunteers to assist with the event so the organizers can have more time for some fun, too! Publicity for BFD is being handled by the Salt Lake Community Network. The SLCN is a non-profit neighborhood advocacy organization that functions as an umbrella group for Salt Lake City Community Councils. The community councils are neighborhood organizations that provide input from residents to city government.

Food will be California style with a bold Asian influence including Asian tacos,

sliders, and salads plus chicken fingers with a plum-ginger sauce, a cheese quesadilla, and hot dogs for the kids, all at reasonable prices by CHOW HAUTE ASIAN CUISINE ON THE GO. The CHOW Truck will be inside the event.

Liberty Park is located between 500 East & 700 East and 900 South & 1300 South. The BFD event will be held in the northeast quadrant of the park. Enter off 1300 South and drive east and north about a quarter of the way around the park. You will see the event on the left.

Please help support the Salt Lake Arts Academy and SLCN by bringing your cars and bikes out to join in the fun.

Registration starts at 8 AM. We hope to have most bikes and cars in place by 9 AM. We encourage folks displaying vehicles to try to stay until 3 PM, but if you can only make it for a couple of hours, that is fine, too! The registration fee is \$10 per bike or car. The maximum registration fee is \$20/registrant regardless of the number of cars or bikes they bring. A \$5 donation is requested per adult visitor admission. Kids 12 and under are free.

My favorite quote that I posted in the garage when my son and I began the restoration of his 1970 MGB GT:

**Nothing is impossible, we just don't know how to do it yet.**

We're still working on it.

**Steamboat Springs (Memorial Day Weekend) Trip Update** So far there have been 10 rooms reserved. We have until 04/24/13 to book rooms at our rate but this is a first come type basis so don't delay if you are planning on going. I did hear at the tech. party that there were more thinking of going, so please let me know.

I am changing the route a little, we will start (Saturday May 25) at Einstein Bagels on 3923 S Watsch Blvd, Holladay and go up I-80; this will save us about 40 min. Since this drive is a little longer it will give us more time to get in more pit stops for some of us. There has been some interest in stopping for a brief rest at the Dinosaur State Park in Vernal - maybe pickup a sack lunch and take a stroll to stretch our confined legs. Let me know.
