The drive to Trappers Loop is always a pretty one - East Canyon to Morgan and on to Snow Basin. Our last TLR was in 2014.

Impromptu drive up the canyon.

It was a beautiful day for a drive up the canyon
to Brighton.
July 17, 2016.

Ritt Bowen organized an impromptu Sunset Cruise, Sunday Aug 7.

Thank you Roger & Jill Davis, Charles & Louise Edington, Larry Farmington, Jerry Gill, Marty & Wendy Nuetzel for making the Sunset Cruise a success.

We had some delicious food, most chose the traditional British option of the fish & chips. I couldn't keep my eyes off Roger & Jill's baked chocolate chip cookie desert, it looked delicious!

We were all disappointed to hear that Hoppers had discontinued the homemade root beer & cream soda. I guess it had been a while since anyone had dined there.

We arrived at the overlook on Wasatch Blvd. just in time to watch the sun set & to see a stunning display of lightning, as the Lightning was getting closer & more powerful we chose to call it a night.

Thank you again for making this last minute impromptu event a success!

-Ritt Bowen.
