JULY 2013

JULY 14, TRAPPERS LOOP RUN (SUNDAY)
JULY 2, EAGLEWOOD SHOW (TUESDAY)

Trappers Loop Run Sunday, July 14.

Another great LBC trip is planned for Sunday, July 14 as we are once again going over Trappers Loop. This is a very scenic drive through the Eden Valley.

We will meet at the Hoogle Zoo, east end at 9:00 am for an approximate 9:30 departure. We will head up Emigration Canyon to Little Dell Reservoir, then to East Canyon Reservoir and on to Morgan where we will take a pit stop to stretch our legs. We will then take the old highway to Mountain Green and up over Trappers Loop. From the top of Trappers Loop we will try to take the old ski

resort road down to Pineview reservoir although it has been closed for repairs the last two years. From there it is on to The Oaks for lunch.

After lunch everyone will take their favorite route back home. This is a great local trip, beautiful scenery, cool top down temperatures and twisty roads. So don't miss this ride and everyone get a car ready!

I will have maps available for those who have never been on this ride. If you have any questions please call me (John Progress) at [801-547-0259](tel:801-547-0259).

See you at Hoogle Zoo!

All are invited to the free **Eaglewood Festival of Speed** **Tuesday July 2** in North Salt Lake.

When you arrive you'll notice that **Eagle Ridge Drive/Bountiful Blvd** will be closed off for the duration of our show. Drive up to the gates on the north and the south ends and look for the greeter in a white tee shirt with the American flag on it. They'll show you which way to go to park your car, cart, plane, train, tractor, truck, tank,

hovercraft or helicopter. You'll be escorted by someone in a golf cart to a good spot. **Exhibitors should arrive at 6:00pm.** The show will

open at **7:00 pm and go until 9:00 pm.** Last year everybody had so much fun they didn't leave until dark.

The road course again draws participants and crowds.

Jon Hermance lays out the course each year with one of his MG T series. Jon is also most generous giving rides to kids and adults who may never get a chance to ride in a great LBC.

Craig Mossberg keeps the record of the course times for each driver who wants to check their time.

Each year the course is laid out so a typical run would take in the neighborhood of 30-35 seconds.
