Let's be clear about this...

Let's be clear about British Motor Club Events.

If at any time you do not feel safe or comfortable, you are under no obligation to attend.

During this pandemic time, we understand that many of the members are in the higher risk category, just because of age. We also know that many of us in this group have received the vaccination to help counter COVID-19. Although we recognize that the hazard for contracting the virus still exists after receiving the vaccine, there are steps to ameliorate the pathogen, i.e. social distancing, wearing masks covering nose and mouth, and washing hands, that we encourage everyone to continue to exercise.

Bottom line: When participating in a BMCU event, we will expect and encourage you to wear a mask covering your nose & mouth, social distance (6') and practice personal hygiene (washing hands).

Roger Davis
BMCU Governor General

2021 St. Patrick's Day OK

2021 St. Patrick's Day **Not OK**
Maybe next year.

Wearin' of the green in years past

LBCs like to dress up with some green too.

It's a fine idea to be wearin' green for our event. BRG, British Racing Green, is lovely! Top Gear BBC did a segment on the origin of BRG. Did you know BRG began with the British Gran Prix of 1903, which was held in Ireland due to Parliament passing a 12 mph top speed limit. The sponsor of the race, American Gordon Bennett, wanted each country to choose a national racing color. The TOP GEAR episode shows the first BRG racer, a 1903 Napier.

Gary brought us the Memorial
Weekend "Poker Run"

5th Annual Gary Meldrum Memorial Eureka Run

For people new to the BMCU or who never got to know Gary, he was a special person. Gary and I burned through quite a number of cigars together.

Gary passed away peacefully shortly after the Eureka Run in 2016.

I do miss him on our BMCU runs. His niece Cindy Wardell continues his presence as she and her husband Cory drive Gary's TR6, "Molly" on our annual spring Eureka Run. -ed.

We miss you Gary
