

March 9th, 2024 On the Hook Fish & Chips

March madness visited the BMCU March 5th and the food truck encountered some mechanical issues. Attempt #2 was much more successful on March 9th at the Auto Zone. Members bundled up and enjoyed some delicious fish & chips in the scenic parking lot.

March 17th, 2024 Black Sheep Bar & Grill

What a beautiful day for a BMCU brunch and get together. After pounding on the door, right at 10am, to let us in, 33 members enjoyed the warmth of Rawson and his Black Sheep crew. As in the past, the BMCU took over a good portion of the establishment. Since many of the members took advantage of the sunny weather and drove their Britmobiles, several customers were enticed to come in and ask questions regarding the colorful little cars parked outside. The brunches were all very tasty and all came out of the kitchen very quickly, except for one order. Sorry, Jon.

For the folks that had to leave early, you missed the bag pipe band that had been playing in the parking lot. They filed in and started playing. They asked about our cars and even dedicated a song to the BMCU!

March 23rd, 2024 Eureka & B's Hangout

Bottom line first: A great group of **38 members** brought their **25 vehicles** from **seven different Utah counties** to make the trek from Saratoga Springs to Eureka.

Middle line: The group took over B's Hangout. It's great to see the pleased look on the proprietor's faces when we fill their establishment.

Top line: Brandon and Crystal were happy to see the BMCU again this year and invited us back for next year.

Over the top: Levi did a wonderful job hosting the Run, contacting B's Hangout and leading the group. No one got lost nor had an overheating engine. lol The windspeed was high which made keeping our LBCs on the pavement a bit of a challenge.
