

## April 18<sup>th</sup> – 21<sup>st</sup>, 2024 Kastner Cup Sonoma, CA

As some may know, Michele and I enjoyed presenting TS1 at Sonoma raceway for the Kastner Cup Event for Dr Philip Hoops. With Joe Alexander, But most important Dottie Richards the widow of Joe Richards the restorer of this fantastic car. We were asked to drive the pace lap behind the pace car leading the two races Saturday and Sunday, Wow! Now that was a fun experience, I wish I had a camera on Dottie to see the smile on her face or horror whichever it was. lol

Also attending was one of our own Henry Morrison and gang. Bringing home an award for his TR3 #10a and #73 with the top winner of Kastner Cup.

We started off our trip with a wonderful dinner hosted by Henry and Christine Morrison at his home in Millcreek, with Mark Bradakis other Hall of Fame honored racers and Joe Alexander. Again I thank them so much! And a huge Thank You to Philip Hoops for this fantastic opportunity.

More fun to come we are off to Ohio for the TRA national meet to present the car in June and other events.

## May 25<sup>th</sup> – 27<sup>th</sup>, 2024 Memorial Day Tour

The Tour Group gathered under dark, rainy skies on Saturday May 25th. We set out for Torrey, UT with optimistic thoughts of a warm and dry southern Utah. The roads were fairly clear of traffic, and we picked up some members in Goshen. Heading out of Fairview, it appeared that we would encounter nastier weather as we headed up the canyon. We were correct. First it was a light rain. Then we drove into the clouds that were hanging on the mountains near the top of Skyline Dr. Next came the SNOW!!! What the....this is supposed to be a scenic drive, but all we could see was the road about 10 feet in front of our cars! I went to high beams with the headlights because of the lack of visibility.

We reached Huntington and had lunch in the park, sharing the pavilion with a family celebrating their daughter's birthday. She was two years old that day and was serenaded by the BMCU choir/Tourers.

The rest of the trip to Torrey was uneventful and the weather kept getting better and better. We pulled into the hotel parking lot behind a van pulling a trailer. Turns out it was Lars and Rox with their MG TD, on their way home from California! They knew we were going to be in Torrey, so they changed their route and met us! What a great surprise!

Sunday the Touring Group split up into different groups as we always do and covered the area around Torrey. Sunday dinner at the Mexican restaurant was a tasty prelude to an evening being entertained with songs by Drew. Mike Whipple couldn't make it this year for the first time in over 10 years.

The beauty of the Torrey area was enjoyed on Monday as we chose different routes. I think you could spend a week in and around Torrey and still not even scratch the surface of what there is to see and do.

**\$5,500.00**

1972 MGB GT. This is a fun little car. I have had it for several years, but have other projects. Car runs drives and stops. It has a cool sun roof option that was on the car when i got it so not sure when it was added. The car does have some body issues, but no holes. (see pictures). Interior is all there, but has wear. Great summer car to drive around in. [Facebook Listing](#)
