

## October 12<sup>th</sup>, 2024 Nebo Loop Ride

Again, the BMCU was treated to a wonderful drive through the Wasatch Mountains. This time, however, the route included the Nebo Loop road. After a quick Drain & Gain in Santaquin, we made a stop for a scrumptious lunch prepared and served by Arlene at "the ranch." Unfortunately we received news that Steen and Arlene will be headed off to Europe for a couple of years and today was the last lunch at "the ranch" for a while.

Thanks to Steen and Arlene for the hospitality!

Another quick Drain and Gain at Payson Lake, we admired the views and socialized. Then we were off and up to higher elevations and more spectacular view.

Selling my 1968 MGB GT. \$3500. Clearly not running. I think '83 was the last time it ran. It was my dad's. Includes custom steering wheel, also a second set of chrome wire wheels (not installed). There is some rust, and some rust through on the driver side, about 6" long. Some minor dents. License plates not included. Was originally from CA and is currently in UT. I wanted to restore it but I don't have the skills
