

## BMCU Potluck and Planning Recap

The dinner was so good that there was very little left to nothing to take home. The cross section of grub was perfect for all tastes. Thanks to all who attended for your dish to pass contributions.

Business was taken care of with the usual reports from the Exchequer and Membership board members. We still have some money and our membership grew by 60 last season.

Thank you to the Board for presenting the Appreciation plaques to Jill and myself. That was a very nice gesture. The plaques will be placed in our office where we can see them every day.

The Driving Season schedule dates were decided and placed on our Calendar. You will soon see the published schedule of events in your email box, club website or newsletter.

## St. Patrick's Day Luncheon 3/16/2025 @ 10:30am

Come meet all of your British Motor Club of Utah buddies at the Black Sheep Bar & Grill 1400 S. Foothill Dr. S.L.C. There is a facelift going on at the mall, so don't be deterred by the construction.

## Memorial Day 2025!

Have you made your reservation for the Memorial Day Tour to Steamboat Springs, CO? Steamboat was, by far, the most popular destination suggested by the membership.

Time is running out for those who wish to be included in the Tour. The route to Steamboat Springs is as if the road engineers had us in mind; smooth, twisty, fabulous scenery, and very little traffic.

You need to do the following to be included in this spectacular Tour.

Pick up your phone and **call Carrie** in Steamboat Springs and tell her you are with the British Motor Club of Utah. She is the **ONLY one** who can give you our **special rate**. Her phone number is: **970-879-6669**. \*\*Her days off are Wednesday and Thursday. She is not available those days and your reservation cannot be accepted.

Make your **reservation for May 24 - 26 or 27, two or three nights**, if you want to stay the extra night and come home on Tuesday to avoid traffic. You will be charged our **Special Contracted Rate of \$119 per night plus tax**.

Included with your room is a **free breakfast each morning** at the hotel.

\*\*\*Once you've made your reservation, please send me an email with the following info: Your names(s), cell phone #'s, make & model of your vehicle and the color. This information is for our Tour Packet you'll receive.

## Auto Jumble

### **\$340.00 Brooklands Steering Wheel**

New 17" Brooklands steering wheel on a recently restored MGA that is too large for me. It has been used a total of 43 miles so it is blemish free. This very wheel retails for \$499.99 at Moss Motors, item number 454-215. It comes without the mountain boss which sells separately at Moss.

#### BMCU & British Field Day

The British Motor Club of Utah has been involved with British Field Day since its inception on May 23, 1992. From its meager beginnings to the present large size, the Club members have enjoyed displaying their vehicles. The growth has allowed many people to see and enjoy our cars. Much has evolved during this run and it's now time that what started as a British Motor Club event is now exclusively an event organized and run by the Liberty Wells Community Council, not the British Motor Club of Utah.

The BMCU Board feels that the British Field Day is a great place to show your British car. As with the other car shows in the area i.e. The Peach Days and The Festival of Speed and others, if you want to show your car, by all means do so. The BMCU is not against any of the many shows and we encourage you to attend them if you would like to.

Liberty Park has been a wonderful location for BFD. It has, however, in the past few years, been having local problems with the homeless, people going through the area shouting profanities and others claiming rights to the section set aside for the Liberty Wells Community Council. The autocross that has been a staple of the British Field Day, although a great crowd attraction, creates a liability that the British Motor Club of Utah does not wish to bear. The public thinks that this is a BMCU event, when it is not.

For these reasons, the Board unanimously agreed that steps should be taken to make certain that the ownership, responsibility and liability of the British Field Day, falls on the Liberty Wells Community Council. The BMCU name should not be included in any advertising. The British Field Day is not a British Motor Club of Utah event.

The British Motor Club of Utah is a driving club, not a show club. We have been supportive of the BFD, but no longer do we want our name associated with the event.

We believe that the BMCU members who want to continue to show their cars at the BFD, should do so as should anyone else owning a British vehicle. The British Motor Club of Utah is not associated with the BFD in any way. Individual members are encouraged to show their car(s) if they wish, but they do so as individuals, not representing BMCU.
