

April 12th 2025—North Ogden Divide

The beauty of the Northern mountains is starting to wake up and Spring is upon us. This means it's time for the **North Ogden Divide Drive!**

Where: The southern members will meet at the Speedway Station, 965 N. Beck St., Salt Lake City, at 8:15am for an 8:30am Departure.

The northern members will meet at Rainbow Gardens, 1851 Valley View Dr., Ogden, at 9:30am for a 10am departure. The southern group will join the northern group here at Rainbow Gardens. Restrooms available!

The Plan: After a short Driver's Meeting and a Group Picture, we'll head up Ogden Canyon, around Pine View dam and through the beautiful little towns of Eden and Huntsville. Then it's up and over the North Ogden Divide & awesome views of the Eden Valley. Descending into the Ogden Valley, we'll follow the Mountain Rd. south to Harrison Blvd and onto US 89 to Layton.

Lunch: The BEST Fish & Chips in Utah at A Little Taste of Britian, located at 768 West 1425 North, Layton, UT. This is a Club favorite, and they are looking forward to our return again this year. They always do a wonderful job of hosting us with a reserved area.

This event is a very popular Spring drive, and the weather forecast is looking good! Plan to join us for a very beautiful and scenic drive in the Northern air!

March 29th 2025—Eureka Run

The Eureka Run was a great way to start our driving season. The 28 members experienced what can only be described as a perfectly timed drive. The skies looked ominous when we departed, but no precipitation fell...until we were inside at B's. Then the rain and snow began blowing sideways while we enjoyed the warm hospitality and good food while watching the storm.

As fast as the storm came, it passed. The roads were just damp when we headed for home.

Here is the IYKYK part. This was a Eureka Run like none before. Coordinators Ron & Kathy J. had designed a route that none of us had previously known existed! It was AWESOME! Lots of twists and turns to keep everyone happy. I believe this "new route" will be one we will take from now on.

The paved road took us through the abandoned mining area of Dividend, UT. Even with the overcast weather there was much to see along the narrow road, i. e. old mines, memorials, scenery, etc.

Never let it be said that the BMCU has been over all the great British car roads in Utah. Drew showed us an awesome new route near Strawberry Reservoir and Ron & Kathy have shown us an incredible road that was perfect for us! That's two new wonderful roads in the past two years
