

## Upcoming May 3<sup>rd</sup>, 2025 Early Morning Run

The **new driving event** is on Saturday, May 3<sup>rd</sup> and is a shorter run. It is basically around the Oquirrh Mountains on the west side of the Salt Lake Valley.

We'll meet at 9:30am at the Maverik station, 14000 S. Redwood Rd., in Riverton, for a 10am departure.

From there, the route takes us south and west, on Hwy 73, over Five Mile Pass to the quaint old mining town of Ophir. The road to Ophir is windy with beautiful, steep cliffs. When the road turns to dirt, we will turn around and drive back through Ophir and to Stockton where we'll have our picnic lunch.

After lunch, you are free to return home on the route of your choosing; basically, north through Tooele or retracing the route back to the Wasatch Front.

## April 12<sup>th</sup>, 2025 North Ogden Divide

The southern members met in the Speedway Station lot on Saturday. Then we hit the road with a larger contingent than expected. The smooth pavement of our route on Legacy Parkway and the US 89 Mountain Rd made the first part of the day, very pleasurable.

The northern members gathered at Rainbow Gardens. After a few instructions, Kent led us up Ogden Canyon. The BMCU made quite the snake of multi-colored vehicles, winding our way Eden Valley. It is definitely still winter up there! Then we headed up the inimitable North Ogden Divide.

We then convened at A Little Taste of Britain for some authentic food and good conversation.

## \$340.00 Brooklands Steering Wheel

New 17" Brooklands steering wheel on a recently restored MGA that is too large for me. It has been used a total of 43 miles so it is blemish free. This very wheel retails for \$499.99 at Moss Motors, item number 454-215. It comes without the mountain boss which sells separately at Moss.
