

July 26th, 2025 Butlerville Days Parade

MGA's & B's, TR3 & TR250, a Bugeye and Sunbeams, **OH MY!!!!**

It was quite a turnout for the Butlerville parade. Various members had been in the parade previously, but this was the first time that the BMCU was "officially" in the parade. The presence of our dozen vehicles was warmly received by the spectators lining the route. Lots of nice comments from everyone.

From an entrant's perspective, the route was perfect: early morning, great weather, and DOWNHILL all the way! Engines were turned off, making our speed slow enough that conversations with those lining the way were easy and friendly and no riding our clutches. The kids loved us, even though we didn't have any candy.

July 4th, 2025 Stars & Stripes Parade

Goodness gracious, donuts and British cars on Independence Day. There were so many British cars that they had to break our club into two groups so we weren't hogging all the attention. The tree lined streets were packed with families cheering us on.

Tired of trying to sell these on marketplace so I will make a deal to anyone who wants these seats. Case of normal Mountain Dew or a 16 oz redbull and they are yours.

Pick up in St. George only though. I'm not going to ship them for this deal.

Will fit all factory mgb years. The foam is a thicker than original but it is more comfortable than original in my opinion. Automotive grade vinyl/foam was used for the reupholstery. Head rests were shaved.

Need the space in the office back.
